## ABOUT

Possessing 4 years of seasoned expertise in **Java development**, I excel in a spectrum of technologies including **Java, Servlet, Spring Boot, Spring Security, and Hibernate**. Proficient in web technologies such as **JSP, Thymeleaf, HTML, CSS, AJAX/ jQuery**, and well-versed in **Linux** environments.

My reputation is built on a track record of crafting innovative solutions, actively aiding team members, and demonstrating a passion for problem-solving, all while fostering collaborative work environments. Notably, I successfully concluded a 3-month probationary period within a single month, earning recognition through the prestigious '**Employee of the Quarter**' award.

## TECHNICAL SKILLS

- JAVA
- **Back-End**- Spring Boot, Spring Security, Spring REST
- **Front-End**- Thymeleaf, JSP/ Servlet, HTML, CSS, JavaScript, Ajax, JQuery
- **Database**- MySQL Server, Hibernate
- GitHub, AWS, M.S. Windows

## PERSONAL DETAILS

Date of Birth	June 30th 1996
Hometown	Bageshwar, Uttarakhand
Marital Status	Unmarried
Linguistic	Hindi, English
Hobbies	Chess, Playing Volleyball, Programming

## AWARD

- 1<sup>st</sup> Runner up of Hackathon**  
*Nov 2023*  
Localwire
- Employee of the Quater**  
*Oct 22*

## Java Web Developer

### PROJECTS

<div><div></div><div>Dec 2023 Jan 2024 1 Month</div></div>	<div><b>QuantaCare CRM</b> <u><a href="https://crm.quantacare.org">https://crm.quantacare.org</a></u>  Spring Boot, Spring Security, Hibernate/JPA, AJAX, jQuery  Presenting a specialized CRM designed for Pediatric Treatment management. This comprehensive system effortlessly captures session records, including images and historical data, while also featuring a convenient invoice sending capability. Streamline your workflow with this user-friendly solution for precise and efficient pediatric healthcare documentation.<ul style="list-style-type: none"><li>• Created a Pediatric Treatment CRM enabling admin to input daily treatment records and sessions seamlessly.</li><li>• Implemented a versatile payment system accommodating various modes (cash, online, credit, debit card) with options for full, partial, or pending payments per session.</li><li>• Engineered an email-enabled invoice generation and delivery system. Incorporated advanced filtering options for treatment records and sessions based on specific criteria.</li><li>• Enhanced user experience through efficient pagination for managing large datasets.</li></ul></div>
<div><div></div><div>June 2021 Aug 2021 2 Months</div></div>	<div><b>Career Portal</b> <u><a href="career.edgematics.ai">career.edgematics.ai</a></u>  Spring Boot, Spring Security, HQL, JPQL, Thymeleaf, AJAX/Jquery  Created an advanced online hiring portal for Edgematics company, streamlining the application process. Candidates can seamlessly sign up or log in, input necessary details, and either take a timed exam or submit a resume based on the applied position. The portal facilitates result viewing, delivery, and initiates subsequent processes via email. Experience a fully automated hiring journey with this user-friendly platform.<ul style="list-style-type: none"><li>• Successfully crafted a client interface in the form of a career portal, offering a seamless experience for users.</li><li>• Developed an intuitive admin panel enabling the efficient oversight of user data and control over essential functions.</li><li>• Implemented an email service, ensuring timely and informative notifications for both users and the company throughout the recruitment process.</li></ul></div>
<div><div></div><div>Jun 2020 Feb 2021 8 Months</div></div>	<div><b>Zazbaat</b> <u><a href="zazbaat.com">zazbaat.com</a></u>  Servlet, JSP, MySQL, AJAX/Jquery  Zazbaat.com is a captivating social platform designed for individuals to express and share their thoughts and creativity, specifically through the art of poetry. Engage with a community passionate about the written word, fostering a space where emotions and creativity intertwine. Join Zazbaat.com to explore, connect, and share the profound world of poetry.<ul style="list-style-type: none"><li>• Introduced seamless post creation, commenting, replying, and sharing capabilities.</li><li>• Implemented instant notifications, keeping users informed of post activities.</li><li>• Crafted user-centric profiles, balancing personal and public aspects for a comprehensive experience.</li></ul></div>
